THIS IS WOODLAWN . . .

Through participation in clubs and athletic events, in classes, and interesting conversations during recess, the students of Woodlawn have molded many wholesome and steady friendships.

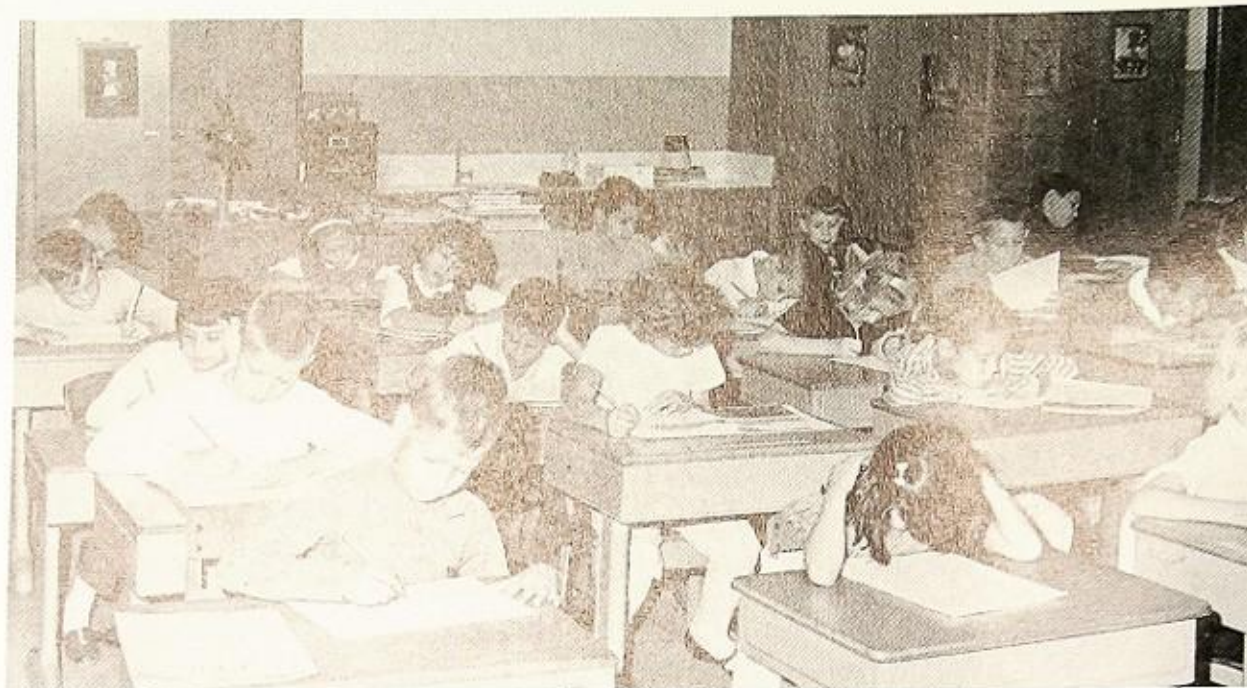

Through the halls and
on the campus student
life is ever present.

Students' ex-

ideas build a
foundation
for future
achievements.

teachers wonder . . .
"Will it be just right?"

End of a busy day.

HAVING MANY DIFFERENT INTERESTS . . .

Charles and Janis enjoyed having an active part in the government of our state at Pelican State.

Jimmy has developed a very profitable business from his hobby of stone collecting.

Sewing is a must in the life of our future homemakers.

Through trial and error, experiments and results, students arrive at definite conclusions.

MEETING THEIR

Some students have the ability to maintain a high scholastic average on campus and also find time to work off campus.

HIGH ACADEMIC STANDARDS . . .

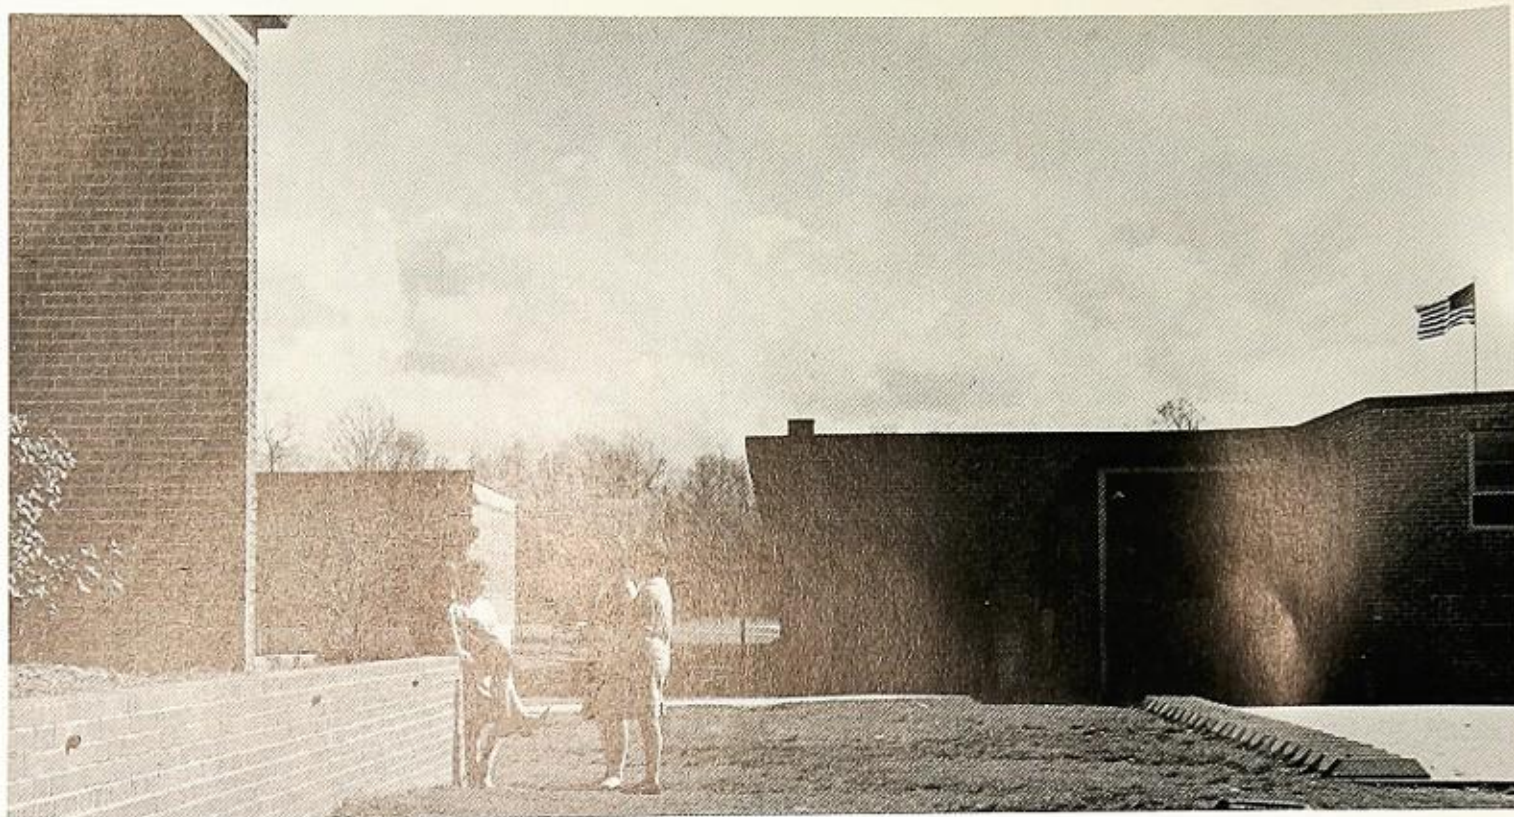

Administrators and faculty often confer on the achievements of individual students.

An individual student can discover that through practice and diligent study very high standards can be reached and maintained.

Results from examinations prove to the student just how much of himself he has given to the project.

WITH ONE GOAL IN

Gaynell Brown and Kay Sandifer
win top Courtesy Awards.

Nancy Heitman received perfect attendance award from Mr.
Stevens, P.T.A. President.

High standards and goals are reached by our students because of their willingness to participate and work diligently toward the completed goal.

MIND . . .

Mr. Miller and the Woodlawn Band are always on the scene to promote school spirit.

MR. LEO BOSSIER

We the seniors of 1965 cast our vote for Mr. Leo Bossier as our

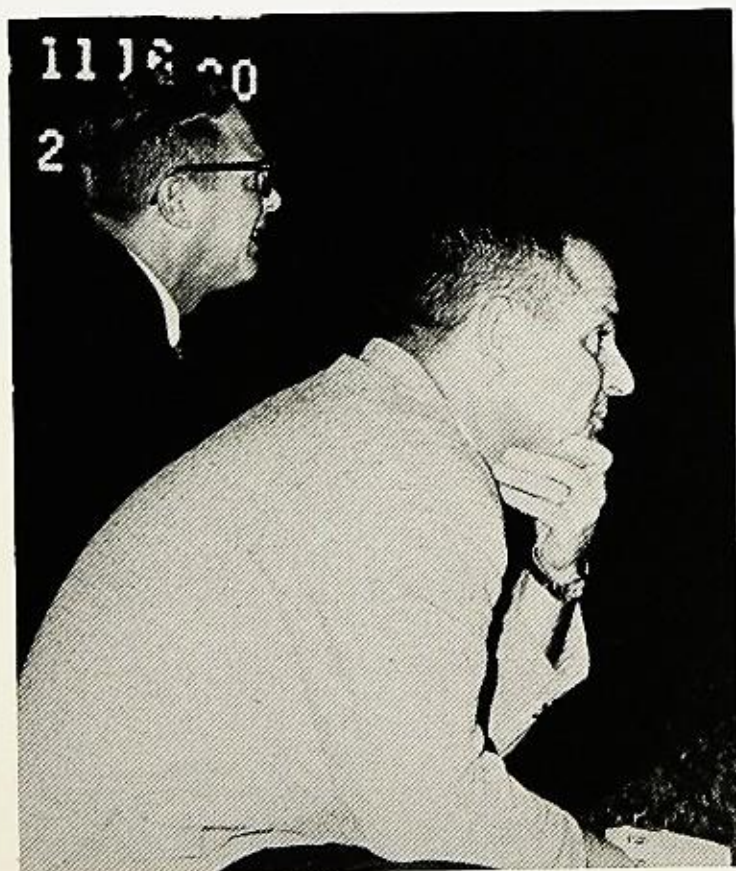

Coach of the Year.

Coach Bossier has presented to us a set of standards for our academic endeavors as well as our athletic accomplishments. These standards will stay with us long after we have graduated.

Because he has guided us enthusiastically and often lent us the strength for success . . .

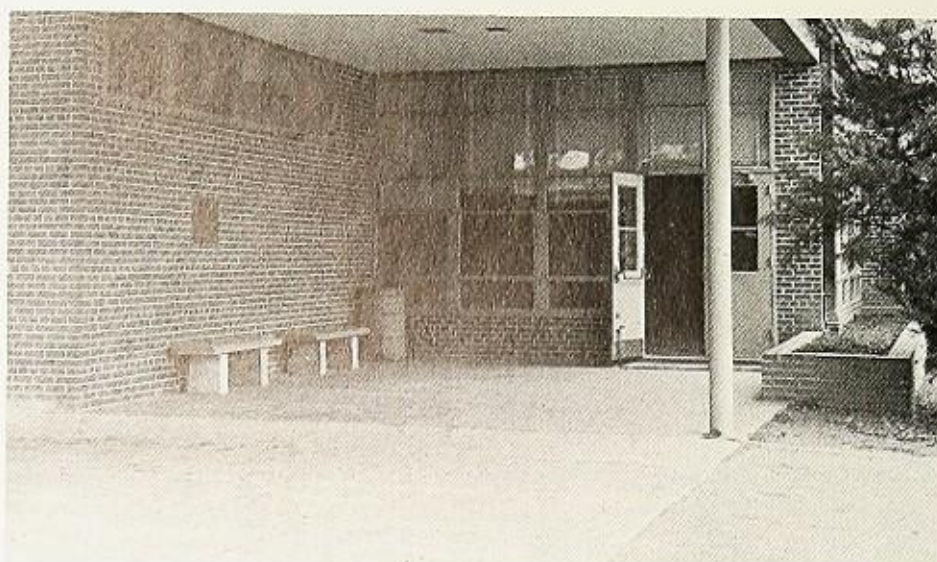

We are exceedingly proud to honor you, Coach Bossier, as our

Coach of the Year.

WOODLAWN ALMA MATER

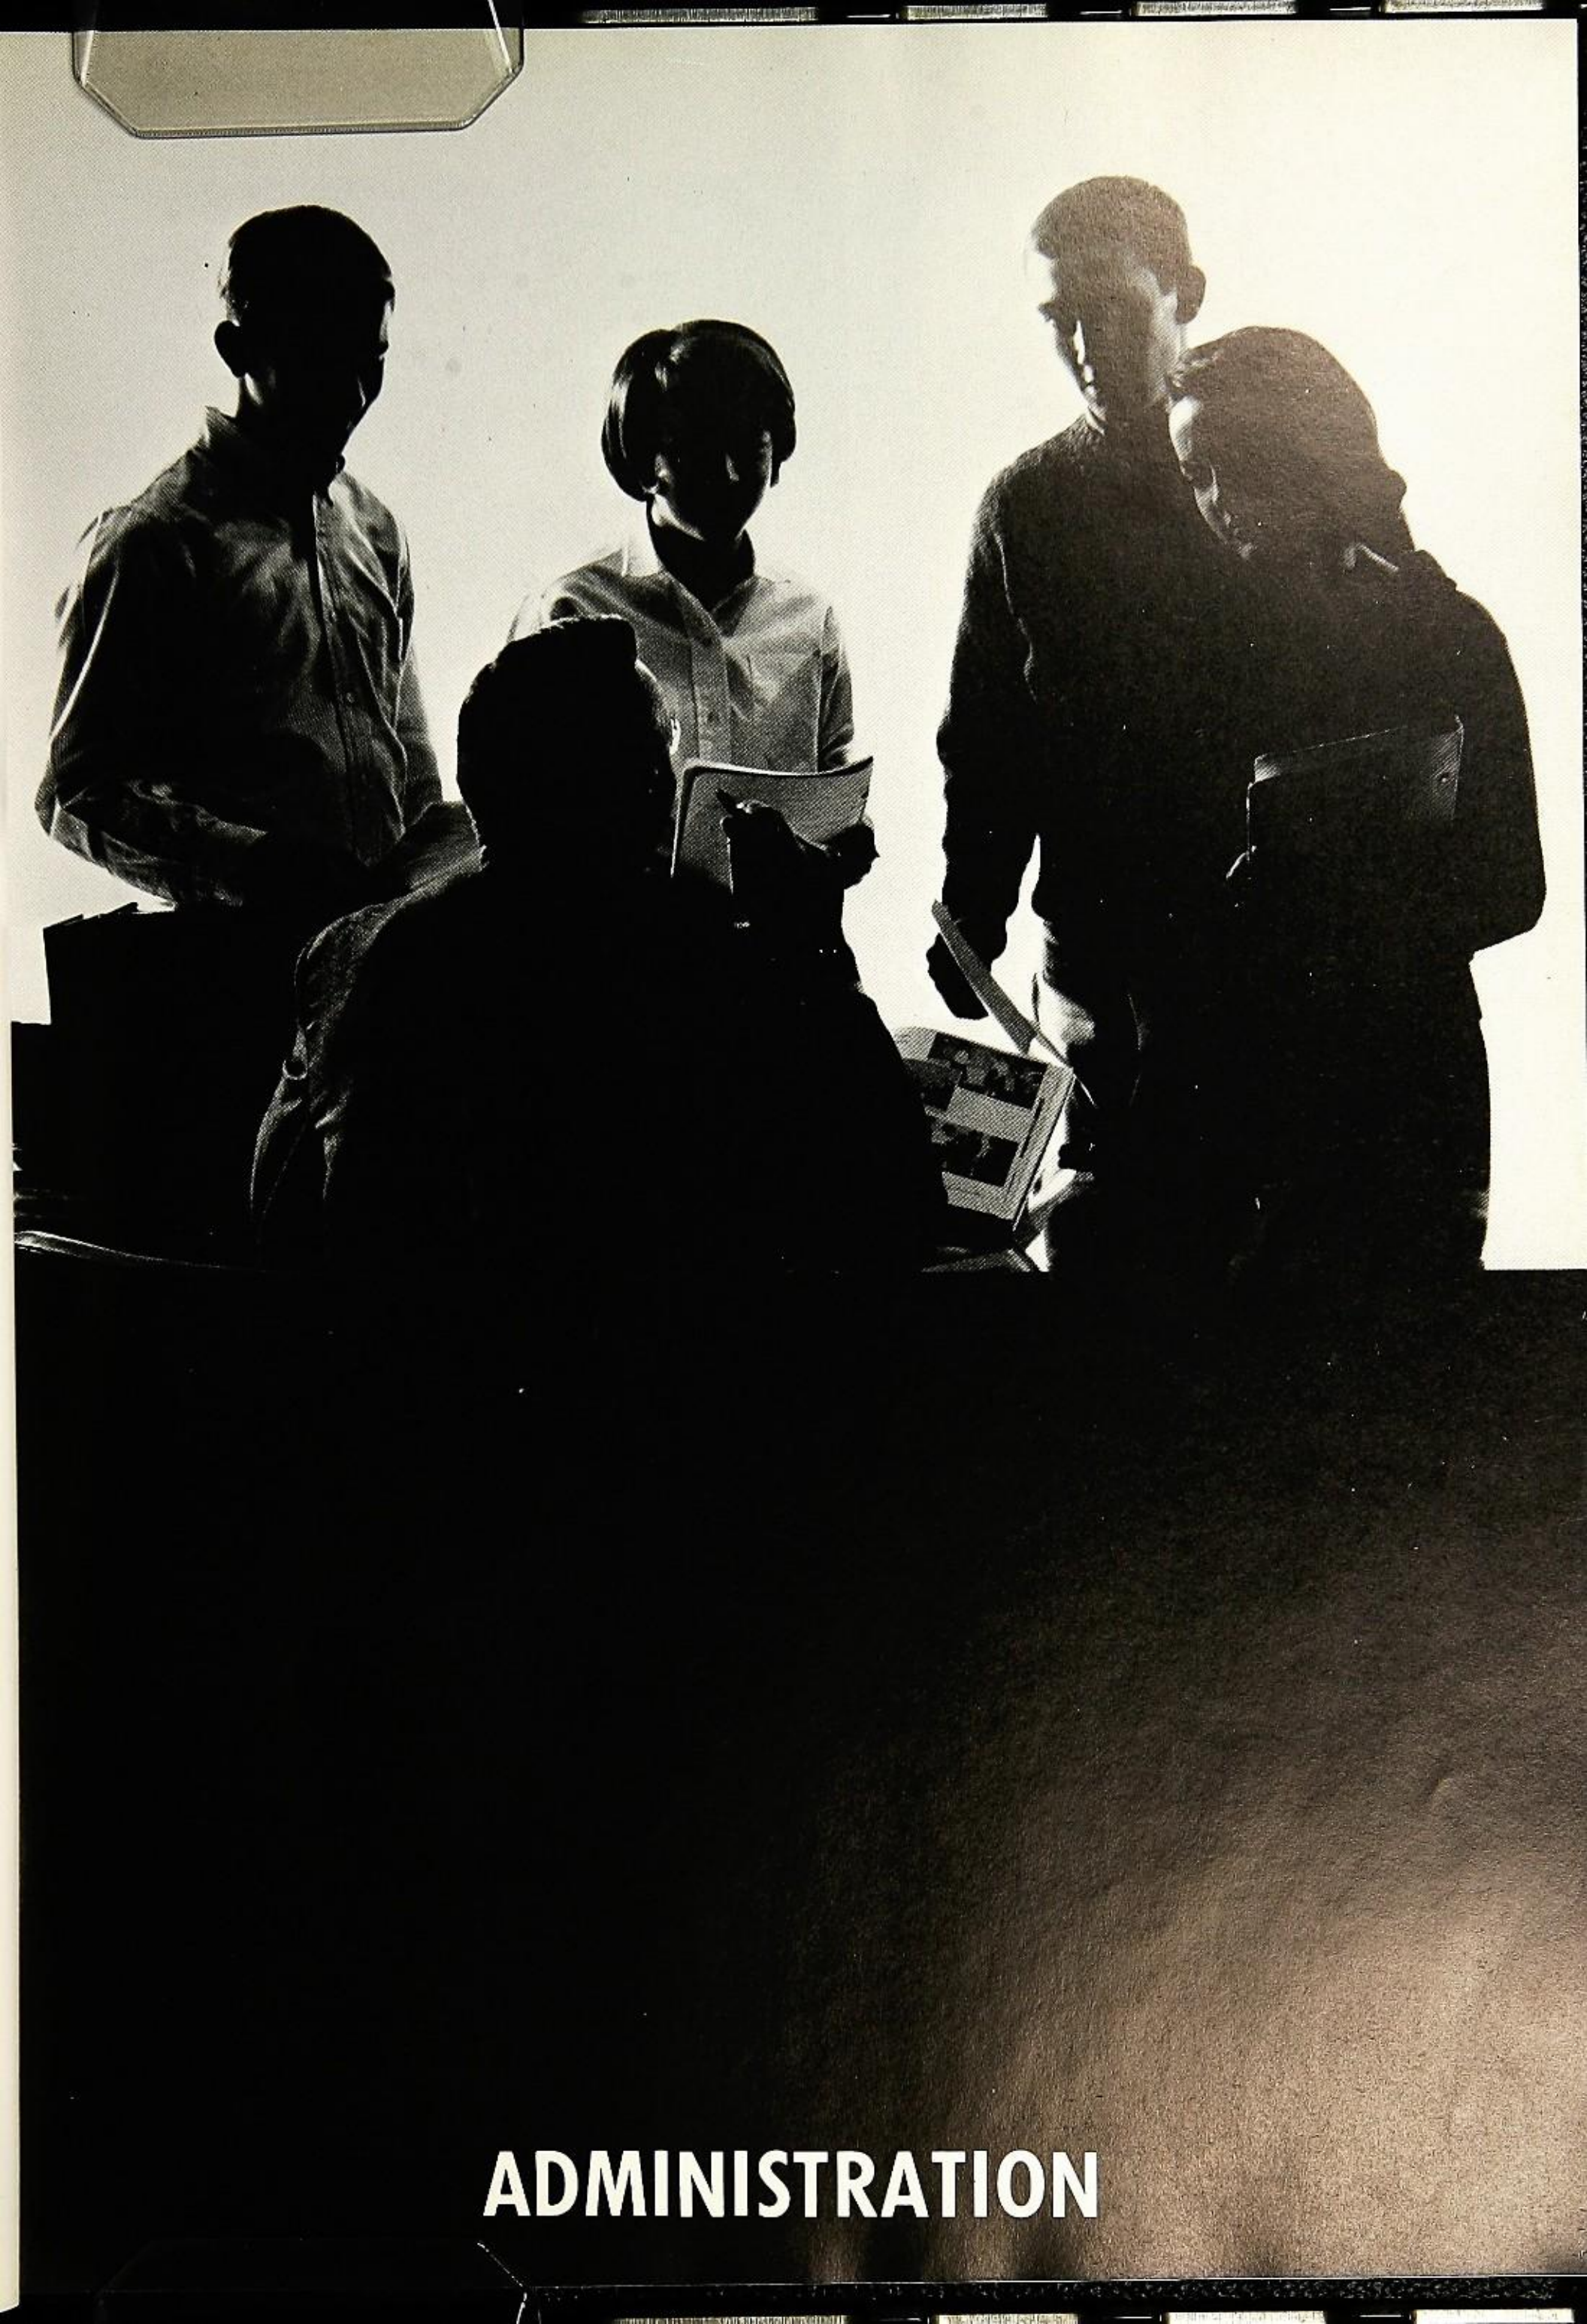

Hail to our Woodlawn
All hail to thee
Fond ties of friendship
Fill each memory

Proudly we wear
Thy purple and white
Fight for each victory
With our strength and might

When e'er we leave
The school of our youth
We'll ne'er forget thee
For thy guiding truth

For thou hast prepared
Each step of the way
To live and to grow
In our world today.

PRINCIPAL'S MESSAGE

Never in history has it been more imperative that the United States make the best use of its human resources; never in the history has it been more necessary that every citizen of the United States be educated to the level of his ability.

We must hold forth the goal of higher education and must inspire more and more students to seek it. We must find means, the resources, and make use of our knowledge to create leaders in every field and to find productive use for the abilities, however modest, of every individual.

I wish to express my deep appreciation to the faculty, parents and students for the assistance given to the school.

Congratulations to the Echo sponsor and staff. To each graduate, I extend wishes for a most satisfying life, and I would like to commend each of you on your efforts in publishing the 1965 Yearbook.

G. A. Delafield

Mr. G. A. Delafield, Principal

W. D. QUINN,
Assistant Principal

ASSISTANT PRINCIPAL'S MESSAGE

As we close another school year, we look back to determine if our school experiences were profitable. Were your goals of academic achievement met? Did you improve your ability to get along as an individual and within a group? Through serenity, tolerance, and a genuine desire to learn, these objectives were met.

To the departing seniors, my best wishes go with you. May you find complete happiness as you take your place in our American way of life.

May you all find in this annual fond memories of your school that you will forever cherish.

A handwritten signature in cursive script that reads "W. D. Quinn". The signature is written in dark ink and is positioned above the printed name.

W. D. Quinn, Asst. Principal

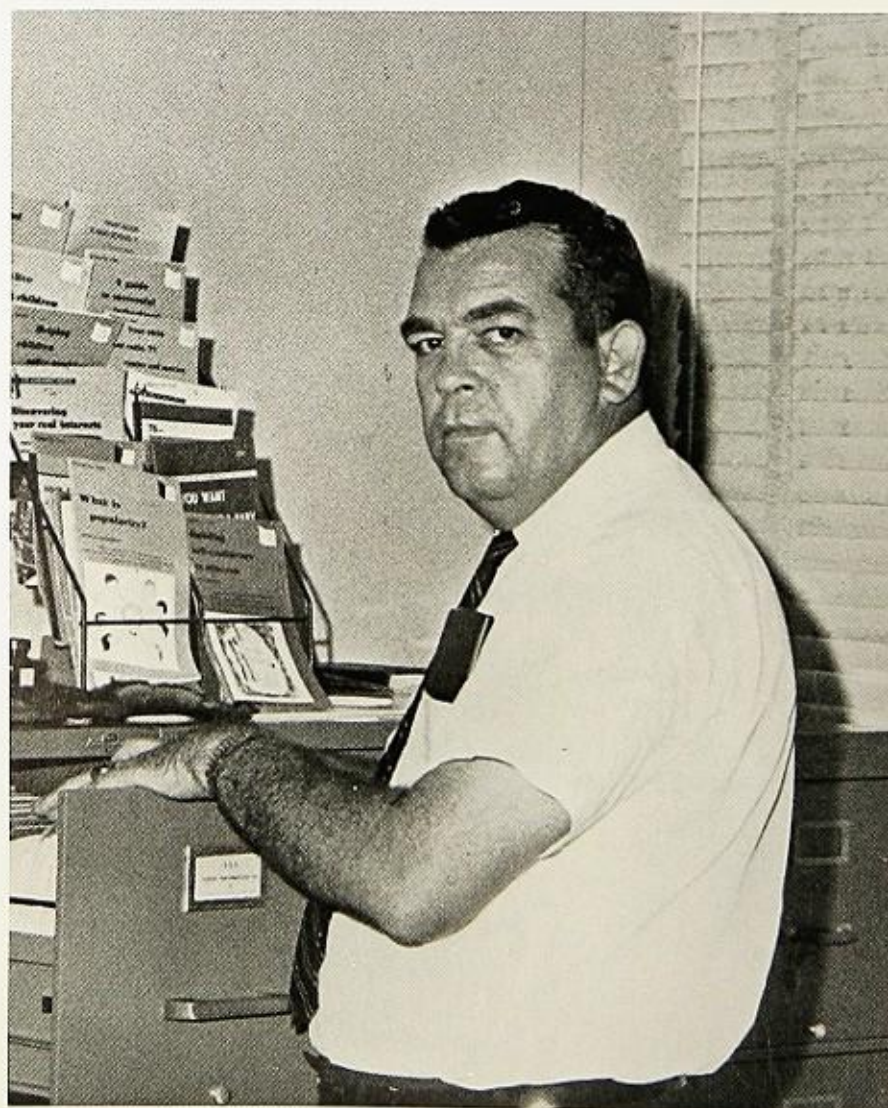

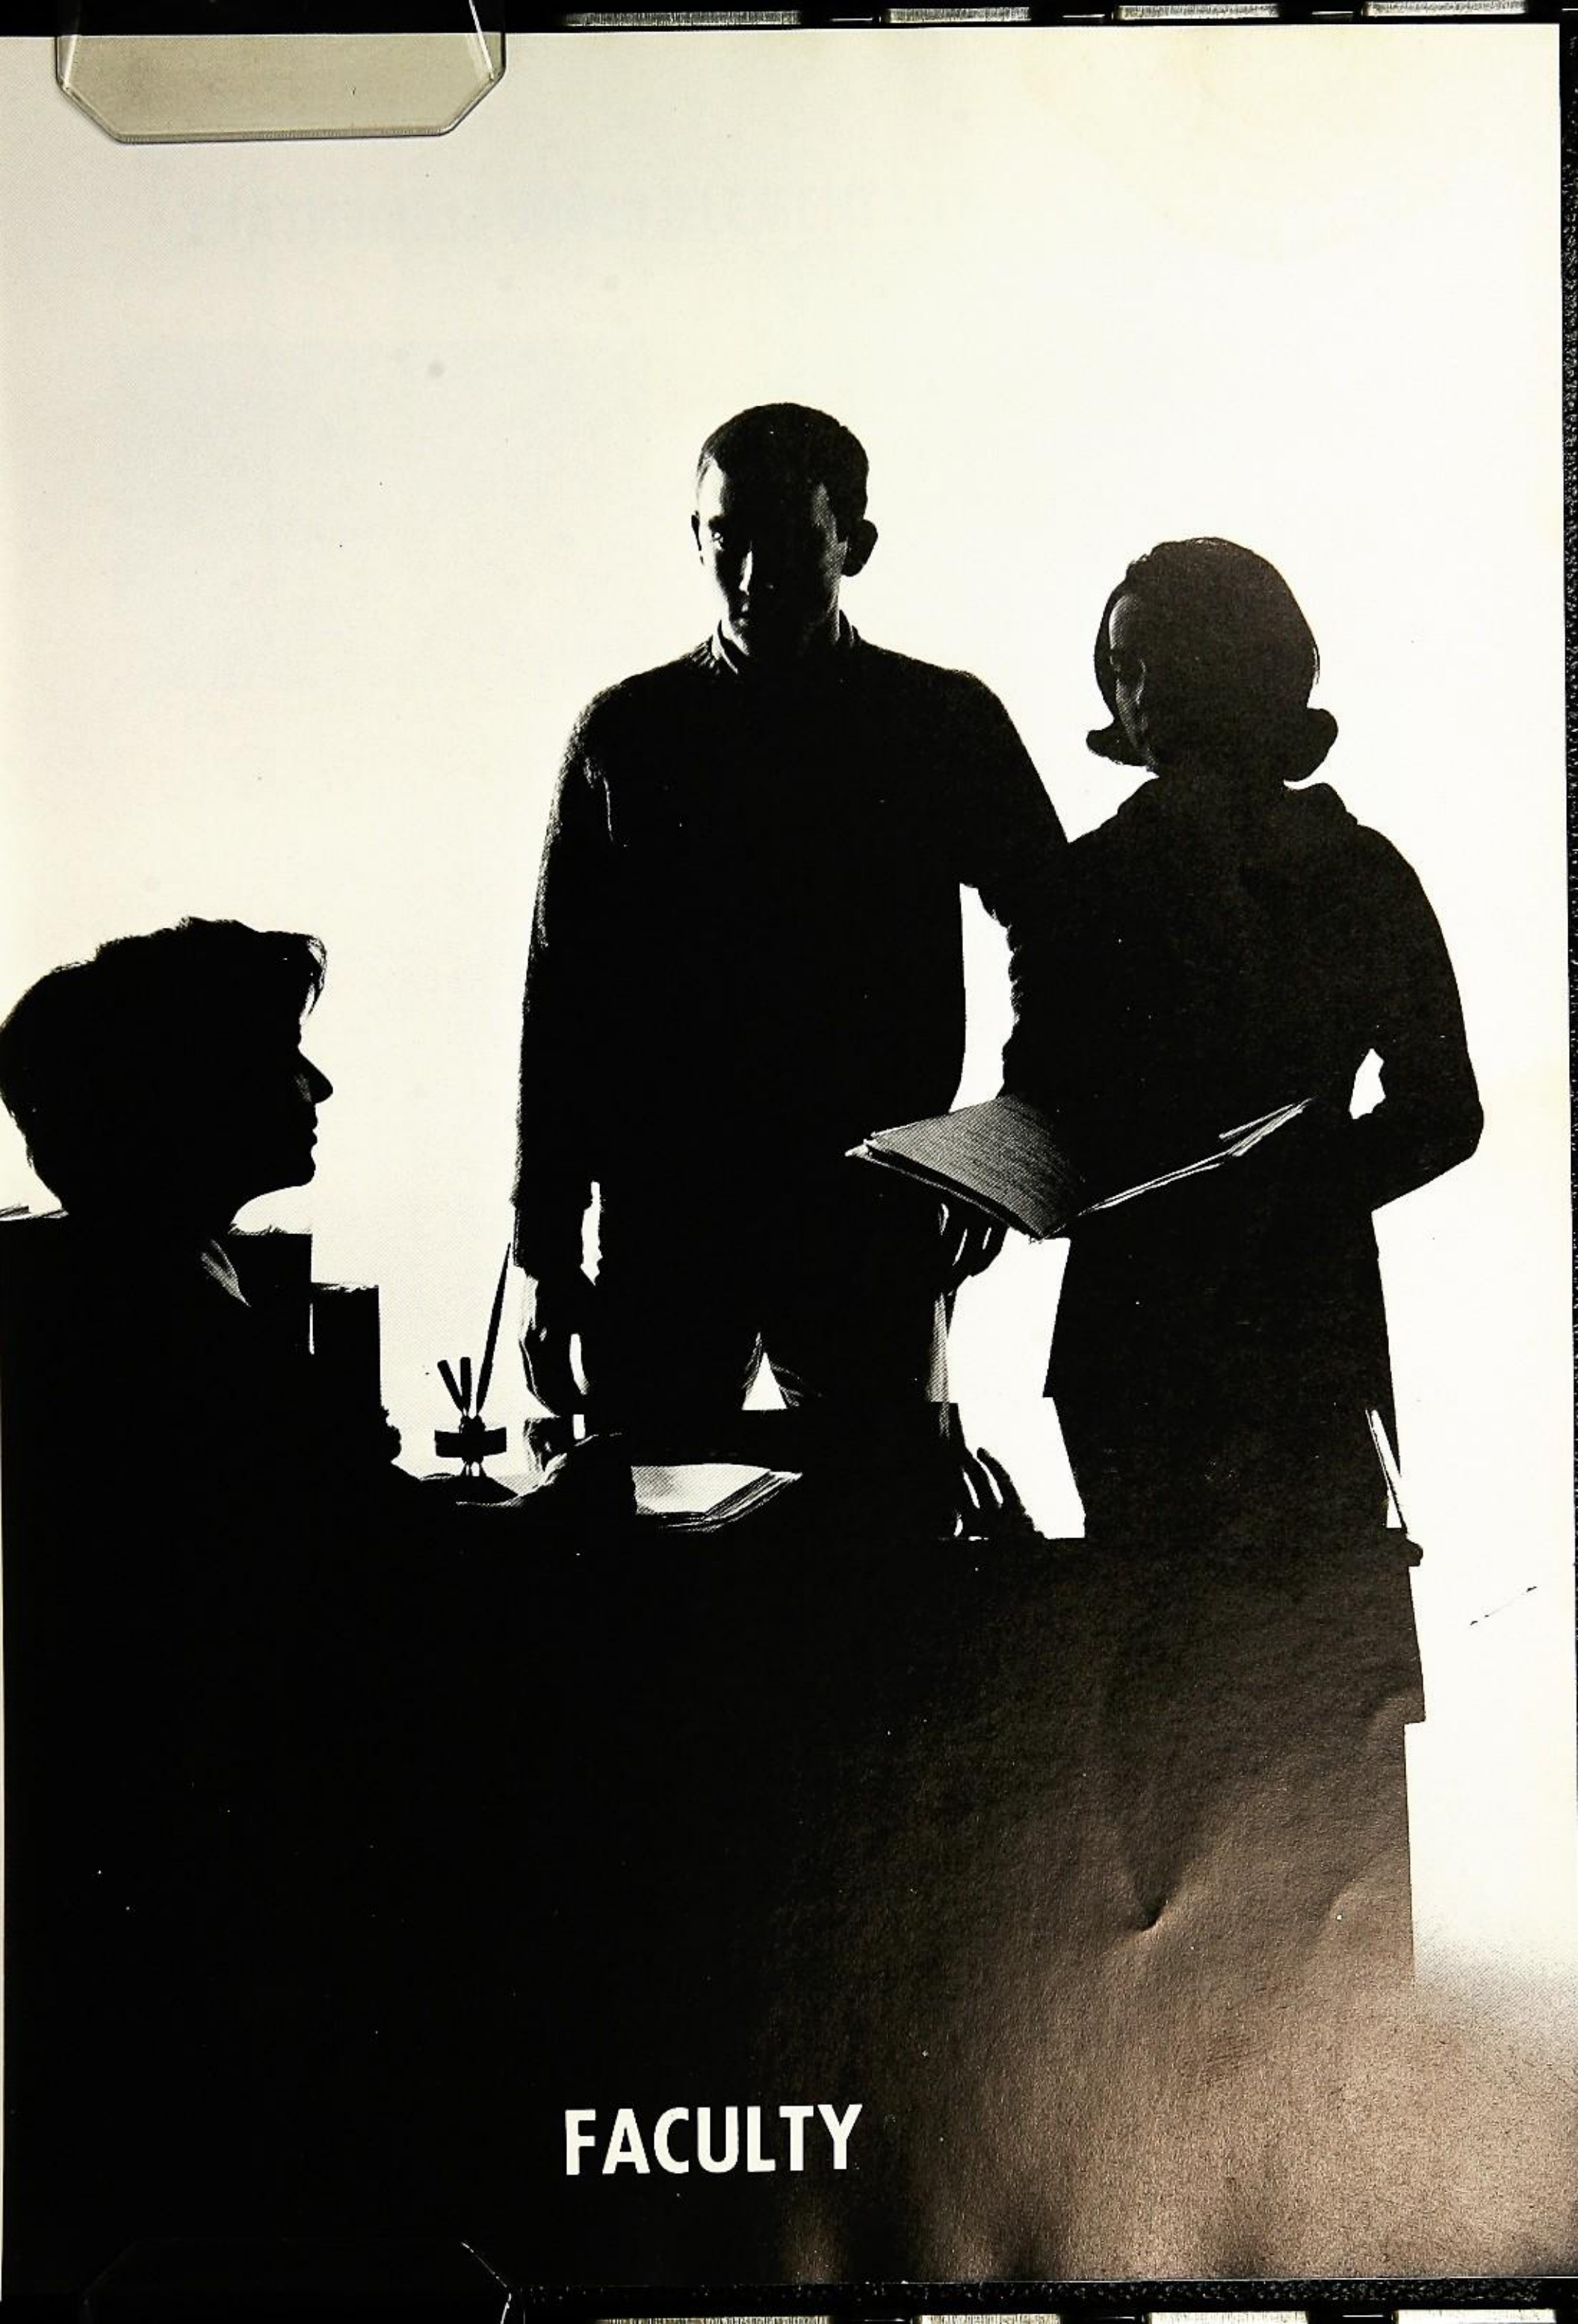

MRS. CARMEN COOK

Mrs. Carmen Cook has been our secretary for many years. She commands all reception duties along with her clerical and bookkeeping jobs at Woodlawn. Without her cheerful disposition and winning smile, the front office could not possibly be the smooth running and welcoming center that it so definitely is.

Mr. A. B. Sibley is Woodlawn's very able and conscientious guidance counselor. Always on the job with the many facets of his work, Mr. Sibley can be found in his guidance office or out testing in the various classrooms. His job is a most demanding one of counselling, testing, and record keeping.

MOST OUTSTANDING PLAYER

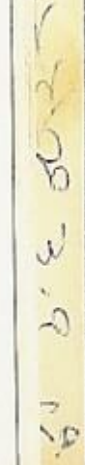

Charles Savell is probably the greatest basketball player in the history of Woodlawn sports. In his Junior year, Charles received All State Honors and is well on his way for these honors again this year.

Our Coach In Action

Any Success our team has enjoyed is due to the team's hard work and the coaching of Coach Tucker. Both Varsity and junior varsity are handled by Coach Tucker. In his years at Woodlawn he has always managed to come up with good teams when it seemed impossible. Our school is fortunate to have such an excellent, conscientious coach.
